

SHORT AND SWEET MAID OF HONOR SPEECH

"Hi everyone, I'm [Your Name], and I've had the honor of being [Bride's Name]'s [best friend/sister] for [X] years.

In that time, I've learned that [Bride's Name] is someone who [insert one defining quality, e.g., "loves with her whole heart and never halfway"]. She has been [insert what she's meant to you, e.g., "my person through every big moment and every terrible Tuesday"]. And watching her find someone who loves her the way she deserves, honestly, it's one of the best things I've ever gotten to see.

[Partner's Name], you make her incredibly happy. I know you already know that. But I want the whole room to know that we see it, and we're so glad you're here.

[Bride's Name], I love you more than I'll ever be able to say in a two-minute speech.

Please raise your glasses to [Bride's Name] and [Partner's Name]. May your life together be everything and more. Cheers!"
